

## "Dinner with Wolfgang Kutting"

6th July 2012

**Book NOW!**

Due to international flights our June dinner is on Friday the **6th July**. **Bookings close Monday 2nd July.**

Wolfgang, from Germany, is one of the FEI Brenda Whitman judges and he is also an international certified FEI dressage trainer, speaker, clinician, German "Bereiter", Grand Prix Judge and FEI competitor.

*"The main focus of my own training philosophy, called "distinguished riding" is to build up a harmonious communication between horse and rider, in order to improve the natural movements of the horse underneath the rider and to develop the potential of any horse."*

The combination of being an active dressage competitor, training supervisor, clinician and judge enabled me to have a deep understanding and profound knowledge in equestrian aspects.

Wolfgang holds clinics in Germany, Luxembourg, Switzerland, Netherlands, USA (Florida, Maine, New Hampshire), Singapore, Namibia
